

RECEPTION
LITHOS

LITHOS

design Paolo Pampanoni

Linee pulite, continue e squadrate. Niente curve e nessuna sovrastruttura per la reception Lithos che si presenta con semplicità per accogliere i visitatori, favorendo gli operatori nel loro lavoro con piani profondi, pannelli welcome o moduli hospitality.

Clean lines, no curves: the Lithos reception welcomes visitors with simplicity and elegance. Service panels and accessories help the operator. A collection full of details.

Ciò che conta è la praticità della postazione lavoro e l'accoglienza riservata a chi si avvicina.
What counts are practically and a welcoming look.

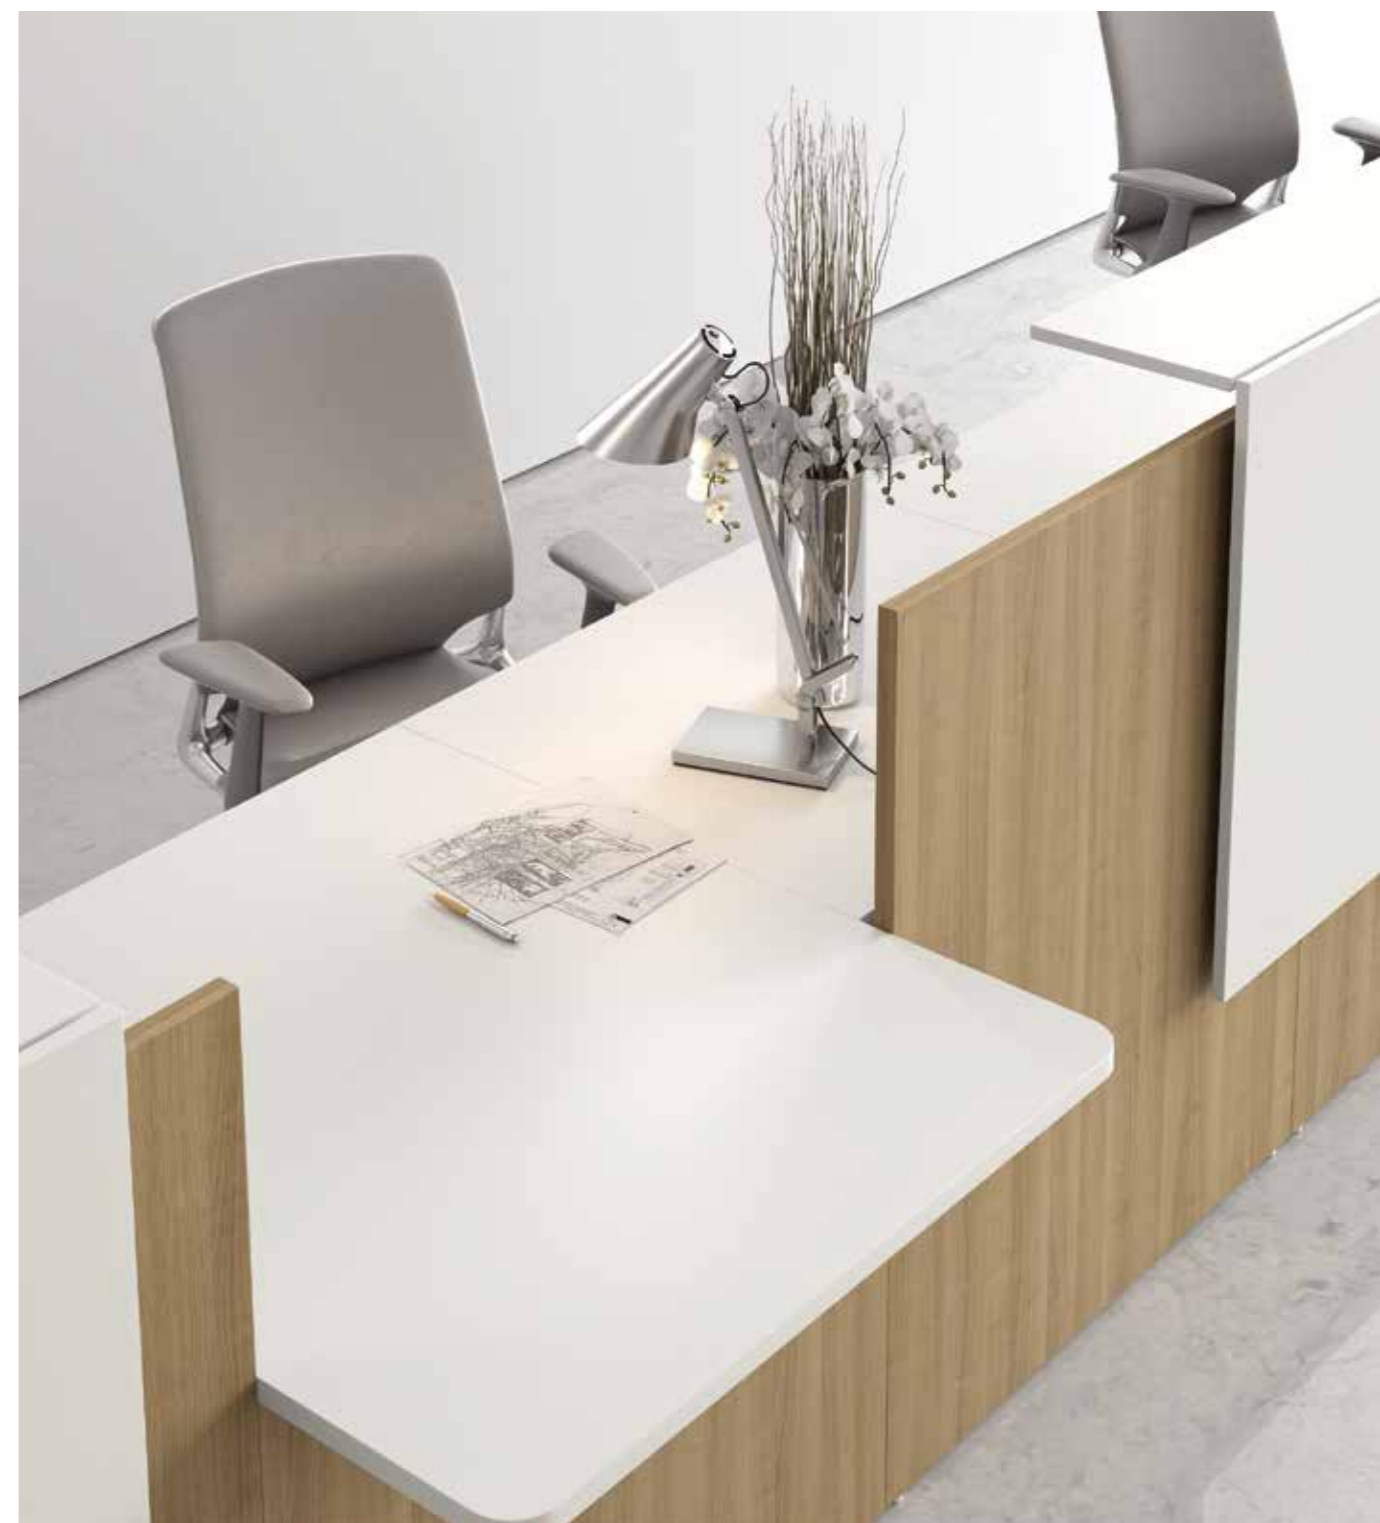

Abbinamenti diversi per creare situazioni inedite che sappiano esprimere eleganza.

Different combinations to create new situations which know how to express elegance.
