

PROTEO

Un sistema modulare per creare spazi attesa e conversazione di grande impatto: Proteo, con tre diversi tipi di schienale, basso, medio e alto, è un comodo divano polifunzionale che diventa uno spazio per leggere oppure un angolo riservato per una riunione.

A modular system to create high-impact waiting and conversation areas: Proteo, with three different types of backrest - low, medium and high - is a comfortable multifunctional sofa that becomes a reading corner or a screened meeting area.
