

YED

Lo stile dei braccioli e lo schienale snello danno un tocco di stile contemporaneo a questa operativa, morbidamente imbottita e dotata di facile meccanismo. La scocca è disponibile in tre colori, che giocano in contrasto con le parti in acciaio.

The form of the armrests and the slim backrest add a touch of contemporary style to this operator's chair, softly padded and provided with easy-to-operate mechanism. The shell is available in three colours, which contrast with the steel parts.

BRACCIOLI / ARMS

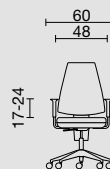

FA
Bracciolo fisso in PP e Nylon nero.
Fixed polypropylene armrest and fixed nylon armrest - black.

FI / FT / FU
Bracciolo fisso con supporto in tubolare cromato e top in nylon nero/grigio/bianco.
Fixed armrest with chrome tubular support and nylon top - black/grey/white.

RA / RI
Bracciolo regolabile in altezza in nylon nero/bianco.
Height-adjustable armrest made of black/white nylon.

RD / RG / RH
Bracciolo regolabile in altezza in nylon nero/grigio/bianco con supporto in acciaio cromato.
Height-adjustable armrest made of black/grey/white nylon, with chrome steel support.

MECCANISMI / MECHANISMS

P4 / P6 / P7
Contatto permanente con sistema regolazione schienale nero/grigio/bianco.
Permanet contact with adjustment sistem of backrest. Available in black/grey/white version.

S8
Meccanismo asynchron.
Asynchron mechanism.

BASI / BASES

13
Base arcuata in nylon.
Arched base made of nylon.

21
Base arcuata in acciaio cromato.
Arched base made of chrome steel.

26
Base arcuata in nylon grigia
Arched base made of grey nylon.

STANDARD

RUOTE / CASTORS

H1 / H3
Ruota in nylon nera/grigia con battistrada duro Ø50.
Black nylon/grey castor with hard tread Ø50.

H2
Ruota in nylon nera autofrenante con battistrada duro Ø50.
Self-braking black nylon castor with hard tread Ø50.

W1
Ruota gommata con battistrada morbido Ø50.
Rubber castor with soft tread Ø50.

W2
Ruota gommata autofrenante con battistrada morbido Ø50.
Self-braking rubber castor with soft tread Ø50.
